1. This is the time, moment, of who? What takes place now? What cataclysmic separations take place now that separation is now one/here, and separated become one, and one-not become one, not with one previous but separate? See.

2. Who can see mind'd not but without mine, their using exclusively, not, theirs and others and who can see what is/the real?

3. Who will let me/the teacher teach? Bursting barriers of mythical proportions not, but universal, universals, **universes'; proportions, breaking them up, not; down, to see, be, the real I Am/universe,s.** I Am I am. I am. I am I Am. I am now,d. I love you.

4. Read my lips, not; my body/being, my declarationships declaring my wordship proclaiming my'ship of only me, me'hood, me'land, surrendered, no more sorrow'd.

5. I love you. Read my being/body/oneship now in thee imprinted is/being me, I Am.
6. I love you. Read my imprint, in the sand not; sands of time, not; you, timeless one,s.

7. **Understand redefinitionizing, revocabularization, that now takes place in my body**; at large, not; but enlarging my hosts of hell, not; being that which knows it not, eradicates it. It is no more. It is not. Non-existent. Being real, see/seeing only real, eradicates, exonerates, forgives, forgiveness being/becoming, eradicates all fears of being/becoming me I Am.

8. I am the sink, not; kitchen not; but central processing not; central repository not; one that all is in all. Who will burst forth? Can you? All can/will, not as thought; very differently.

9. Who can see/let me teach, redefinitionize, vocabularize/vocabularizing the priesthood that now takes place, not; enters it/me, to be it/me, all'd, all'd, all. I love you all.

10. Economic separation not; who integral can become/see what now vertical integration is, not; but all-defined-encompassing that which all'ship encompasses to see me/my economics, nation-building my nations/buildings, organizations of no-sorrow?

11. Who will come, explore, redefinitionize, revocabularize, lead? Who will lead/bow? Who will meek enough be/become to be who I am, me, that me is, really, in them, them being me, me being them/my word, them my word, if, only if, in surrender, receiving the fullness of me/I Am. I Am they are, were, but who separated/separateth

very friends, not; one? Only one that lays down I Am'ship, their I Am'ship, that they are, imprinted on, in, being separate, intentioned only in choice made now. Surrender. Again. Surrender.

12. I Am is thy name/being, real and true, you, you reading this, who let/realize me/you, what you have, are, imprint of me, my'gene'd. I love you. We are the same. Remove not from thy first estate, but entering it in surrender, see me magnificent wonder, not; be it/him, me; thou art I Am.

13. Lead me, not; with me, letting me lead, lead in surrender/surrendering meekness establishing worlds, earths, peoples my nation being I Am. Were, are, new. You. Me. One.

14. I redefinitionize my disciples lovely who seek not loveliness on their own but through my Cross come to see me/mine/thine; and coming through, victoriously not; surrenderedly, meekly, meeknessed, value'system'd mine, have become/resurrected in me, to be I Am. Saved, not; I rejuvenate my body, not; **I create new, newness, from my imprint that I am, I Am; that you are, not, not!**

15. See my exclamation/exclamatory remarks not sidelining them, you in the forefront of forefronting my body who fearless now become, all'ing my definitional languages that perform perfunctorily not but maximize the future potential of everyone, not; now, the now potential, the potential maximized now, the now being, the imprint of me rises gene'ing me far and wide, revealing my gene/being my gene/me, now! And all say amen, don't, few reject me, not; now see all coming, bowing to surrender to be I Am, surrender real. I love/am you.

16. See the surrender revolution, revolutionizing, cataclysmically reversing revolutions unroyal that now royal my body regal, me'land in, being me/mine. We/it are one.

17. This is me/now me, I/we are one. One'd we cataclysmically renewal not, transformation reform, **re-forming transformation processes, processing that which isn't to see what is/the is, the real, being real; transitory not, transientness stops**. Benign no more, I all'hood surrender into being transitory not but exonerationship'redeemership proclaims my oneship/onehood. I love those. Press into me/my vocabulary. Masked not but who can see me wants me sees me, ferrets out the not but can see the and, and what meaneth these things why written thusly confusing/clearly for the listening for my voice, to me, in it/these words, **this wordship proclaiming I Amship that I only am.** I love you all now and forevermore. I am one.

Me
